

RAPIDLY DEFENDING LIFE AND LIBERTY

## INSTRUCTIONS FOR TRANSFERS

Thank you for choosing Rapid Defense as your transfer agent for your firearms purchase. Please follow these instructions to start the process.

1. You may need us to send our FFL to the merchant in order for the transfer to occur. If you are unable to find us listed with the merchant you purchase from, please send their recipient FFL email AND your order number to [andy@rapiddefensewi.com](mailto:andy@rapiddefensewi.com) so we can send our license.
2. Before we receive your firearm, we run a preliminary background check to confirm that you are cleared to pick up the firearm. In order to run this check, please send the following information after your product ships to [andy@rapiddefensewi.com](mailto:andy@rapiddefensewi.com):
  - Copy of your current driver's license or ID
  - Your current address if different than ID
  - UPIN if you have one
  - Order invoice number and firearm(s) purchased
  - Order tracking number - *without this we can't ensure timely receipt of your items*
3. Once you are cleared past the first background check, and we have received your firearm, we will contact you to schedule a pick up appointment. During this time you will complete your paperwork and another background check will occur. Please be aware that our business hours are typically 4pm-8pm Monday through Friday, with select weekends available. If your background check is delayed, we will reschedule your pick up once it has cleared.
4. Firearms purchases that are denied during the background check are subject to a \$30 processing fee plus the cost of return shipping to the merchant if applicable. If fee is not paid or no arrangement has been made within 14 days of the denial, Rapid Defense, LLC reserves the right to take possession of the firearm for resale and/or other lawful purposes.
